SENCKENBERG
world of biodiversity, **Job posting â□□ Ref. #04-15004** The Senckenberg Nature Research Society (SGN), an institution of the Leibniz Association
with almost 800 employees, operates six research institutes located in seven federal states. SGN also assists the UNESCO World Heritage Site "Grube Messel". The Department of River Ecology and Conservation at Senckenberg (Gelnhausen) invites application for a **Postdoctoral Researcher (Freshwater Ecologist)**
Your tasks: â□˘ Conduct research on global change impacts on riverine ecosystems within the framework of different projects of the department â□˘ Data analysis, preparation of manuscripts and reports â□˘ Managing national and international projects (e.g., assisted migration, eLTER) â□˘ Mentoring graduate students Your profile: â□˘ PhD in Ecology or a related field â□˘ Solid background in freshwater (macro-) ecology and zoology (preferably benthic invertebrates) â□˘ Advanced skills in the analysis of large ecological datasets â□˘ Strong track record of international publications â□˘ Experience in project handling and management â□˘ Excellent written and oral communication and project presentation skills Salary and benefits are according to a public service position in Germany (TV-H E13, 100%).
The contract should start around **August 1st 2015** and will be restricted to 2 years with a possible
extension being subject to personal performance and availability of funds. The Senckenberg Research
Institute supports equal opportunity of men and women and therefore strongly invites women to apply.
Equally qualified handicapped applicants will be given preference. The type of handicap should not prevent
work needed to conduct the research. The place of employment will be Gelnhausen, Germany. The employer
is the Senckenberg Gesellschaft für Naturforschung. Please send your application **before June, 28th 2015**
, preferably by e-mail (attachment in a single pdf document),
mentioning the reference of this position **(Ref. #04-15004)** and including a letter outlining your suitability for the post,
a detailed CV, contact details of 2 references, a list of publications and funding to the Head of Administration: Dr. Tobias Schneck
