

**[4th European Student Conference on Behaviour & Cognition](#)** will be held at University of South Bohemia in České Budějovice, Czech Republic on **7-8 September 2017**

The aim of the conference is to bring together early-career researchers (MSc and PhD students) to present and discuss their work in the fields of animal and human behaviour and cognition. The program will offer 2 keynote speakers: Dr. Alecia Carter (University of Montpellier) and Prof. Thomas Bugnyar (University of Vienna).

The **call for abstracts is now open!** The closing date for abstracts is 10 July 2017. **Registration is free!**
