

4th European Student Conference on Behaviour & Cognition will be held at University of South Bohemia in České Budějovice, Czech Republic on **7-8 September 2017**

.

The aim of the conference is to bring together early-career researchers (MSc and PhD students) to present and discuss their work in the fields of animal and human behaviour and cognition. The program will offer 2 keynote speakers: Dr. Alecia Carter (University of Montpellier) and Prof. Thomas Bugnyar (University of Vienna).

The **call for abstracts is now open!** The closing date for abstracts is 10 July 2017. **Registration is free!**

For more details regarding the conference, visit our website (<https://escbc2017.wordpress.com>), facebook (<https://www.facebook.com/escbc2017>) or contact us (behave.cog2017@gmail.com).
